

Dear Bala,

Trust you are doing well.

Thanks for the professional service provided by your firm regarding the inspection of the villa no 21. The report was very comprehensive and professional. Majority of the feedback was attended and resolved by Pacifica.

The visit by Deva was very useful and his feedback very useful. The entire approach by the team was very professional and cooperative and service was 100% value for money.

Thanks once again.

Regards

Chandhiramouli
