## TESTIMONIAL

I am **Sanjiv Jindal** from **PRATAPBOND** , manufacturer of **ACP** and **HPL** Sheet in Kolkata.

Recently I was planning to renovate my Flat, and Knowing about **MACJ- A Buyer's Choice** Home Inspection through Mrs Ritu Sureka. I decided to take its services.

My Wife and Team were not keen initially, but once the **MACJ Team** inspected our site and send us the detailed report we were amazed.

The report was extensive with minor details and Photos. The problem they pointed out were very helpful for us and we got it rectified immediately.

At the later stage it would have been very difficult for me if those problem were not detected at the right time and rectified.

I would recommend **MACJ Home Inspection** to everyone who is making their House or Office.

Thanks

Sanjiv Jindal
