Dear Mahendra Ji,

I have gone through the home inspection report of my apartment in PS – IXORA, New Town, Kolkata.

I am really impressed with the observations made your team.

I never knew such a service exist. This report will certainly help me understand my apartment, review and rectify the issues.

Infact, this is going to serve as a comprehensive document about the overall health of my apartment.

I wish you and MACJ – A Buyer's Choice Home Inspection all the best for your endeavourer which will serve us well.
